Red Ted Reading Challenge

RED TED stands for **R**ead **E**very **D**ay, **T**alk **E**very **D**ay and this is what we would like you and your child to do. Brilliant readers read at least four times a week and enjoy talking about what they have read. After 25 **Red Ted** reads, your child will receive their own **Red Ted** to keep at home. The table below shows the other rewards they will receive. Once children have read beyond 300 reads, they will have formed great reading regularity habits. Children will then receive a Reading Champion certificate and have additional responsibilities within school related to reading.
