

Collective Points

Class Dojo automatically takes children's individual points and adds this to a whole class score. Children at Class Parliament generated ideas for the collective rewards and this is what Pupil Parliament representatives decided upon:

- 1,000- Non-uniform day
- 2,000- Hot chocolate and marshmallows
- 3,000- Pyjama day
- 4,000- Gymnastics/games
- 5,000- Movie time with popcorn and snacks
- 6,000- Class tea party
- 7,000- Non-uniform day
- 8,000- Class disco

We will let you know once your child's class has hit the whole class reward. The system of working individually for points and collectively as a class has a positive impact on the way children encourage each other to do their best.

Sanctions

Working hard 
1. Reminder 
2. Warning 
3. Time out  5 minutes
4. Time away  20 minutes
5. Reflection with Headteacher 

There may be occasions where a few children may find it difficult to demonstrate our school rules and values. On those occasions, children are supported to get back to 'working hard' and they are given a 'reminder.' If this doesn't improve the child's choices, they will move to sanction 2 and so on. In cases of serious misbehaviours, children may be moved straight to step 4 or 5 and/or other consequences used such as missing break/lunchtime play or an internal/ external suspension.

Laceyfields Academy

Parent and Carer Behaviour and Attitudes Information Leaflet

Behaviour at Laceyfields

As a school, we have a Behaviour and Well-Being Policy, which can be found on our website under key information; however we wanted to give you some details which will be important for your child and yourself to know. As part of our Behaviour and Well-Being Policy, we use an app called Class Dojo as part of our rewards system. This is an online system, which can be accessed freely from the internet or from the Class Dojo app, which enables children to collect points for demonstrating our school rules and school values. We have high expectations of the children at Laceyfields and expect children to be earning points frequently.

Laceyfields' Rules and Values

Our school rules are:

- Be ready to learn
- Be kind
- Be Safe
- We always work hard

Our **school values** are:

- We are respectful
- We are collaborative
- We are resilient
- We are creative
- We are responsible

Points Mean Prizes

Staff will reward children with **Dojo points**, which parents/carers will be able to view, once you have set your account up. This is completely free. If you need help, please contact your child's class teacher/school office. Once your child has received 25 points, they will be able to choose their first prize from the Prize Shop gift box.

We have very special awards called the **Dojo Excellence Award**, which children can earn every 100 Dojos they receive. These awards are kept in very special cabinets, where we play 'Celebration Time' by Kool and the Gang, to celebrate your child's achievement. Your child will bring their award home.

We also celebrate children who have been the **Stars of the Week** on a Friday. Who has been applying the school rules and values? Two children from each class are chosen.
